Appeal No. 95-2687
Application No. 08/105,984

Specifically, appellant "believes that the Board's decision leaves claims 9-12 of the application in a non-rejected status." Appellant requests confirmation of the status of claims 9-12.

The decision on appeal mailed August 24, 1999, states (Paper No. 13, page 9) :

The rejection of claims 1, 3-8 and 13-15 under 35 U.S.C. § 112, first paragraph, as lacking descriptive support in the application, as originally filed, is AFFIRMED. The rejection of claims 1 and 3-15 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicants regard as the invention is REVERSED.

Therefore, based on the record before us, claims 9-12 do not currently stand rejected under any section of Title 35 of the United States Code.
